Shade Tree Seedlings	6-7
Shrubs, Deciduous	34-47
Vines	54-56

Terms and Conditions

PRICES. Prices in this list cancel all previous quotations and are subject to change without notice.

RATES. Except in a few instances, prices are shown for 1 to 9, 10 to 49 and 50 to 499. For larger quantities special discounts will be named on request.

TERMS. We are glad to extend usual credit to firms of known responsibility. Satisfactory references required from others. In handling of sales the following discounts will be allowed: 2% within ten days; 1% within thirty days; net sixty days from date of invoice. C. O. D. orders must be accompanied by 25% cash.

PACKING. All stock will be packed in approved manner. We charge for boxing and packing at actual cost of materials used. Where stock is loaded bulk in car or on truck, no charge for packing is made. No charge for baling stock will be made where full amount of cash accompanies order to ship. Please note, however, that discount does not apply where baling charge is free. Boxing or crating must necessarily be charged for on all orders where boxing or crating is required.

GUARANTEE. If any nursery stock, etc., proves untrue to description under which it is sold, seller shall be liable to purchaser only and to no greater extent or amount than the purchase price of such nursery stock, etc., and the seller, except for the aforesaid agreed liability and in respect to such purchased nursery stock, etc., gives no warranty expressed or implied as to description, quality, productiveness or any other matter.

SHIPPING. Our shipping begins about October 20th, and lasts until about March 31st, during which time there is scarcely a day but that we can make shipments. In addition to this, we handle balled plants throughout the entire year. Sherman is situated on railway lines of the Cotton Belt, Frisco, Southern Pacific, M.-K.-T., T. & P., and Texas Electric, and is served by both the Railway Express Agency and Electric Express Agency, and in addition to this there are numerous truck lines through Sherman. If no directions are given, we will exercise our judgment in making shipments, but in doing so we assume no responsibility whatever.

LIABILITY. We book all orders with the distinct understanding that we shall not be liable for injury to stock from frost, hail, fire, or other causes beyond our control. We are not liable for delays in transit; our responsibility ceases upon delivery to transportation company.

CLAIMS. No claim for rejections or deficiencies will be entertained unless made within ten days after arrival of goods.

This price list is for Nurserymen only, and it is hereby mutually understood and agreed between our customers and ourselves that any orders given us are to be governed by the terms and conditions herein expressed, unless otherwise specially agreed.

Grades on which prices are quoted in this list are according to standards as adopted by the American Association of Nurserymen. In addition to these standard grades, we do have many plants of larger sizes and which are choice specimens which will be supplied at special prices. If you do not find listed just what you want, please write or call on us.

WHOLESALE PRICE LIST

Hedge Plants

	10	100	1000
CITRUS, trifoliata (Hardy Orange)			
Deciduous, but the thorny branches remain gray-green the year round. Makes an almost impenetrable hedge. White flowers and small orange fruits.			
12 to 18 inch	\$	\$1.00	\$ 7.00
18 to 24 inch		1.50	10.00

NANDINA—SPECIAL

We have a splendid lot of Nandina, 2-Year, which have been transplanted and grown under lath. These are largely single stem, but are full foliated and good color. Plants are sufficiently spaced to allow handling with small balls, or individually wrapped in moss. Be sure to indicate whether you desire plants with small balls or wrapped in moss; otherwise, plants will be wrapped in moss.

JUNIPERUS chinensis fastigiata

A variety on which many growers are confused, being listed by many Southern growers as *Juniperus japonica*. Arnold Arboretum says this is a true Chinese type, however. It is an upright pyramidal type somewhat more narrow and compact than *Juniperus chinensis*. Foliage entirely scale-like, very dark green in tufts.
